THIRTY-NINTH ANNUAL REPORT OF THE STATE BOARD OF MISSIONS.

In giving account of our stewardship in this our thirty-ninth year, we are glad to report, with one or two exceptions, as large a force of workers as we have ever had and the work accomplished has never been excelled. We have had more calls for help than we could possibly supply. As the population increases, new railroads build, new towns spring up and the calls become many and urgent. The unsettled sections are being filled up with a white population, coming from every quarter of the earth to engage in farming and other pursuits. Many of these are Baptists and other good people who come with blessings for our State; but others care not for our Christ and it is ours to win them to His service.

As the demands upon us increase, we are pleased to discover an increased spirit of co-operation on the part of the churches. The vision of our people is broadening and we confidently look for a tidal wave of missionary enthusiasm which will sweep us over the *mole* hills which now temporarily obstruct our pathway. In a few years we will be surprised at ourselves, ever to have been hindered by crop failures or church buildings or political turmoils.

Once our pastors shall determine to see an advance every year all along the line, over the previous year, we will advance by leaps and bounds.

It has been a grief to us not to be able to employ, during the vacation, all our students who were in the Seminary and Howard College. Unfortunately the vacation comes when the Board is in debt and at a time of the year when money is scarcest. We were only able to take two of the students this year. Probably half a dozen Associations availed themselves of the opportunity to secure missionaries or colporteurs.

We cannot emphasize too strongly the importance of missionary work being done in the Associations in the summer. It is the only season of the year, according to our Southern custom, when meetings can be successfully held.

The Board stands ready to join hands with the Associations, where they need our help, in co-operative work, provided the correspondence is entered into before the annual meeting in the fall.

We report again a vacancy in the 'Sunday School Superintendent's' place. Brother McKee has done well. No one could have done better. His work has been of the most enduring character. Whenever the way was opened he went into the Associations and conducted Institutes, which were an inspiration to all who attended them. In many places he organized classes and left them with books in their hands to pursue their studies. We have been somewhat disappointed in the receipts from the Sunday Schools to support this work. We believe that the pastors and superintendents encouraging the schools, the money to sustain the work, could be easily collected. We did not pitch the work on the idea that it must get all its support from the

schools. It is missionary work and should be supported out of the mission funds; but since the Sunday schools are contributing for State Missions, there is no reason why they should not become acquainted with our work by having it favorably mentioned to them by pastor and superintendent and opportunity given for them to support it.

More carefully than ever before has the apportionment been made. The Committee on Co-operation went through the minutes of every Association in search of information. The report will speak for itself. "What does the Board ask of us?"—is the question asked before many a church in Alabama. It is no longer the Board. It is a committee of judicious brethren. They have looked at it from every view point and made the apportionments accordingly. We hope the requests of this committee will be more and more regarded by the Associations. (Close of proceedings.)

We would recommend that the committee be increased to seven, in order that they may do more aggressive work. The more we talk co-operation and the more people we have working at it, the sooner it will be brought about.

We have in our employ two evangelists. Brother Ray has done a remarkable year's work. There was not a day in all the winter when his services were not in demand. Indeed, his best work, judged by the new churches he organized, was during the coldest weather. Along the line of the railroads he held meetings and organized churches at many places and church houses are being erected at every one of them.

Brother Howard, after several months of successful work, was compelled, on account of sickness in his family, to resign and go West.

When we consider the work which has been done, we regard this as a year of prosperity, notwithstanding we have to report a debt. Our faithful and efficient Secretary, in persistent and continued effort, by means of addresses, tracts and personal letters, has carried on a campaign of information, which will bear fruit in the future.

Beginning the year with a debt of \$2,410, we are closing with a debt of \$3900.

It may afford some satisfaction to give some of the reasons for the shortage. Very naturally, the change of the plan of systematic benevolence demoralized our work. We lost something by that. The change of pastors has had much to do with it. More pastors from leading pulpits, than ever was known before, left the State. The churches, in most cases, were extremely slow in filling their places. The new men, of course, could not be expected to get a grip on things at once.

Again, the agents of the Seminary were at work in the State and succeeded in raising in bonds \$42,000, or more, for endowment. This should not have hindered but helped the mission collections, but it was allowed to hinder in many cases. Of course the short cotton crop in most sections of the State hurt collections much.

Probably the greatest reason is found in the two very heated political campaigns through which we have passed within the year.

In the present state of our finances, we are brought face to face with serious questions—shall we enlarge or shall we curtail the work? The conviction of the Board is that the work should be enlarged as the necessities demand.

The calendar system adopted last year has given satisfaction to all those who have faithfully tried it. The calendar and wall cards and the Treasurer's book constitute the complete outfit. Along with these we recommend the use of the duplex envelopes.

How to reach the non-givers in our churches is an important question. If we would make progress, we must reach the masses who have never given. We are recreant to duty if we do not undertake to reach them. Many of the

non-contributing members are not stingy. They need, and so do all, a simple, convenient system for regular giving, and that is all if it is well worked.

In the Old Testament the tithing system was commanded, and it yielded regularly the revenue to sustain God's worship in a way to command the respect of mankind and in a way that made the worshippers contented and prosperous.

In the New Testament time nothing is said against the tithing. Maybe it was intended to continue. It may be used now as well as in olden times, but we are told the very day of the week when the offering is to be made—the *first*, and who is to make it—not the father for the whole family, but—*everyone*.

Organization is the word, and the pastor who is not willing to study and teach and attempt the organization of his people is lacking in one of the greatest essentials of successful leadership. Difficult? Yes, but relying upon God to give wisdom, it can be done. All of our Boards and Secretaries ought to study church organization and lend a helping hand to the pastors and deacons. All our Associations and Conventions could give their time to nothing more profitable than to this question of organization.

Here is an illustration in point—a deacon of a large church, worked down with the burden of collecting, called to his aid ten of the brethren. The whole membership was divided among these ten. The instruction was to approach *every member*. One good woman, whose husband had been giving for the whole family, was grievously offended and came on to the deacon who had given the instruction. The good man calmed her until he could make this speech: "I want you to reflect a moment about the necessity of this *every member* training. You have a son who is now a grown man. He has been a member of the church fifteen years. He is now getting a good salary. He has never in all his church life given one cent for the support of the church. I doubt if he has given anything to benevolence either. Don't you think he could have done so? Would it be any hardship on him? He is likely to become one of the prosperous men of the town. Think you he will become a supporter of the church after he gets rich, if we neglect to train him now?"

This mother was a sensible woman and readily yielded the point. The deacon was right and we all know it. Not a man of us who cannot recall, in a moment, some one whose habit it was to pay the church obligations for all his family. The death angel called at his door and the head of the family passed out. His place in the pew remained empty and the Treasurer missed from the family the regular contribution, though the family was in better condition financially after than before the funeral. This is mighty commonplace talk to go into a report, but it is as true as the gospel we preach.

Colportage.

We have received nearly a thousand dollars for our Colportage Fund. We hope to see the time when this fund shall be sufficient to employ a colporter in every Association.

Some pastors are supplying themselves with good books and Bibles to meet the needs of their people. We are always glad to furnish such books and Bibles at cost.

We regard the *Alabama Baptist* as the most potent missionary factor we have. Its columns are ever open to serve the denomination's every interest. Wherever the people read it, there the agents of the Convention receive an intelligent hearing and a glad welcome. The people, having some knowledge of the work, are eager to know more.

We recommend that a Sunday, say the second Sunday in November, be observed as *Alabama Baptist Day*, that the pastors be requested to preach on the value of the printed page in religious work and that committees be arranged to begin work on the spot, with a view to increasing its circulation.

The coming of the headquarters of the Woman's Missionary Union to Montgomery has added considerably to the working force in the mission rooms. This arrangement has been mutually helpful to all parties concerned. The removal, fitting up the office, increased salary of the Secretary-Treasurer, and the employment of another helper has added considerably to the expense, but we believe it is the best money we spend. Our woman's organization, as a dispenser of missionary information, the creator of missionary zeal among our women and enthusiasm among the children and young people, cannot be excelled by any force we have. The increase of missionary gifts we put down as the least, though that is a remarkable showing. Of the \$44,000 given by the Baptists of Alabama for Home and Foreign Missions the past year, the women, co-operating with the Woman's Missionary Union, *gave one-fourth of it*. Six hundred and forty-six organizations of the women and Sunbeams did this, besides giving \$2,303 for State Missions and over two thousand dollars for other purposes.

We should encourage this part of our membership by giving them all the aid that they need. They constitute the majority of our membership and they have demonstrated their right to be regarded as a working force by contributing money, zeal and labor, in no small degree, in the advancing Kingdom of our Lord. Auxiliaries, they gladly call themselves. They earnestly crave the privilege of being helpers. Surely every pastor ought to encourage them in their laudable efforts to advance the cause of Christ in the world.

Our Secondary Schools

are—Bridgeport and Pisgah in Jackson, Eldridge in Walker, Gaylesville in Cherokee, Newton in Dale, and Healing Springs in Washington.

The first four belong to the Home Mission Board, the last two to our State Convention. We have helped in the support of all these, one way or another. As the Newton Collegiate Institute and the Healing Springs Industrial Academy will each make a report, it is unnecessary for us to speak of the work, only to recommend that a card be allowed to be published for each of the six in the minutes, so as to furnish needed information.

Brother J. C. Bush of Mobile, always noted for his devotion to his church and denomination, recently passed to his reward. In life he dealt out with a liberal hand the means that God had entrusted to him, and at the last made generous provision for the cause of the Master in his will. We understand that he has left to the Board a bequest, the interest of which only is to be used. Why should not all God's children, whether they possess much or little, remember their Lord, their best friend, in their wills? They would thus erect for themselves enduring memorials and bring blessings to the world through the ages. The Bush fund forms a nucleus about which we hope, in the years to come, a great endowment shall be gathered.

The Sunday School Board at Nashville gave us a supply of Bibles and Testaments for our work, which were sold, for the most part, and the money added to the \$200 appropriated by the Board towards the salary of our State Superintendent.

The Foreign Board and Home Board, as heretofore, assist in the support of the Corresponding Secretary, and in bearing the expenses of the office. In addition to this, the Home Board appropriates \$2000 to our general work, maintains four mountain schools, helps in church building at struggling points and assists in the support of a Swedish pastor in Baldwin County, and takes part in the support of the teacher of young preachers in the colored school at Selma. To the same teacher, Rev. S. T. Clanton, your Board has contributed \$200. He has given instruction to seventy young preachers. He, with the students, become a great missionary force during the vacation.

The following vacancies on the Board need to be filled at this session: D. C. Cooper, J. W. Minor, A. J. Dickinson, Geo. W. Ellis, J. B. Ellis, L. Lasseter and J. W. O'Hara, the latter on account of his removal from the State.

The financial statement, with the Auditor's certificate, and a summary of work accompany this report.

Respectfully submitted,

GEO. G. MILES, President,

T. J. MILES.

Montgomery, Ala., July 16, 1910.

13. N. D. Denson reported for the Board of Directors, that only one meeting had been held, at which delegates were elected to the Southern Baptist Convention.

14. The report of the Trustees of the Aged and Infirm Ministers' Fund was read by H. B. Foster and ordered printed in the minutes, as follows, viz:

**SECRETARY'S REPORT OF BOARD OF AGED AND INFIRM
MINISTERS' FUND.**

It is with great pleasure that the Board of Aged and Infirm Ministers' Fund presents its first annual report to the Alabama Baptist State Convention.

With grateful hearts we acknowledge that God's blessing has rested on our work for ministerial relief, which is a noble cause, and one which makes its own tender appeal to the love and sympathy in the hearts of His people.

We believe that one of the wisest acts of this Convention was the recommendation, at its last session, in Andalusia, that we make a worthy provision for the servants of our Lord, who have become enfeebled from age or ill health. For this purpose was appointed the Board of Aged and Infirm Ministers' Relief Fund.

Organization.

This Board held its first meeting, for organization, in Birmingham, July 31, 1909, electing the following officers and committees:

President—H. B. Foster,
Secretary—Mrs. Grace Hiden Wilkinson,
Treasurer—R. F. Manly.

Executive Committee.

T. G. Bush, George M. Morrow, J. W. Minor.

Finance Committee.

D. H. Marbury, C. A. O'Neal, Ernest Lamar.

Relief Committee.

J. E. Cox, H. J. Willingham, C. A. O'Neal.

Auditing Committee.

J. W. Minor, W. H. McKleroy, W. W. Campbell.

Publishing Committee.

Geo. W. Macon, J. W. E. Cox, H. J. Willingham.

Committee on Investment of Endowment Fund.

President of Board, Chairman of Executive Committee and Finance Committee.

It was moved by Dr. Macon, that the expenses of the Board be paid by members of the Board until further action is taken. This motion was carried. After an open discussion of the work, the Secretary's plan, for the organization of the Women's Work of the State for this effort was approved by the Board.

With deep sorrow we report the death, in November last, of our brother Col. T. G. Bush, chairman of our Executive Committee, and one of the most widely known, useful and consecrated men in our denomination. As Secretary on the occasions when I sought his advice, I found him ever a kind friend readily responsive, with deep sympathy for, and great interest in this cause, and received from him many valuable suggestions, which had he lived, I doubt not he would have helped to carry out—I have seriously missed his wise counsels. (See Item 48.)

Encouraging Survey of Work.

There has been an encouraging advance, the past year, in this cause as the result of the work of the Board for Ministerial Relief, and in many instances, the newly awakened interest in this added effort, has caused non-interested members to have an increased interest in Baptist beneficence.

This work has been presented, usually through our Associational Secretaries and Moderators, to our Associations, where it has met with great consideration, and many have adopted this cause in their plan of work, adding to their standing committees a committee on Ministerial Relief.

The chairman of our Publication Committee has, through letters each month in the Alabama Baptist, presented the cause to our pastors and people, and also, with great success, to the Associations which he has visited; while the chairman of our Finance Committee has made wise plans for the work of that committee, with good results; in addition to this, the Board has sent a

personal letter to the pastors, church clerks, Sunday school Superintendents, and to the Associational superintendents and to each president of the Woman's Missionary Societies of our State, also to individuals interested in the work, and asking for information. These letters numbering in all, 6,638. From both pastors and people we have had every encouragement to continue this work.

Women's Missionary Unions Will Advance Cause.

The Secretary of the Board made her report, in November, to our Woman's Missionary Union, when assembled in Convention, at Selma, through the kind courtesy of their Vice-President, Mrs. T. A. Hamilton, and we would express our thanks to that body for their action taken, adopting this cause in their plan of future work, and electing the Secretary of this Board, as their Secretary of Ministerial Relief, also a member of their Executive Board, and providing at once, proper literature for this work throughout their Societies in our State. We are deeply grateful to Mrs. Hamilton for her eloquent appeal in behalf of aged and infirm ministers, on that occasion.

Funds Insufficient.

With our gratification at the ready responses we have had to our appeals for help, we are yet far from satisfied with the amount received in contributions, when we reflect on the increased cost of life's necessities, and realize that the fund is inadequate to the need, and reflect also, on the number of pastors who are not co-operating with the Board and number of non-contributing churches to this fund. We hold that all Baptists are indebted to these, our Spiritual Fathers, and the obligation therefore rests on all, to contribute to their comfort, during their declining years.

Increase in Appropriation and List of Beneficiaries.

We rejoice to report, however, that we felt justified at once in increasing the provision of our Beneficiaries, and each of these has received \$10.00 a month, while we have been able to respond to all proper applications for aid. We now have fifteen on our list of beneficiaries and this meager assistance which we have been able to give them, has brought more of relief and sunshine than many of us realize, into the lives of those who have been lovingly called our Lord's Honor Roll. It is with grateful hearts that they have received this mark of our gratitude and appreciation, and again they minister to us as their hearts are lifted in prayer to God, for those who have supplied this help.

Financial Report.

We are glad to report a substantial increase in the annual contribution to this fund. There is now on hand a surplus which will help us to meet the first payment promptly and also encourage us to increase the amount paid to the beneficiaries. We hope also to learn of any others in need, and entitled to aid.

Detailed financial report will be made by the Treasurer.

Board Defrays Expenses of the Work.

In order that the Board might at once give increased assistance to those entitled to be beneficiaries of the fund, the motion prevailed, that for the present the expenses of the work would be met by the members of the Board. Whether this was a wise move, some of us doubt, but for the time it was thought expedient, and that the urgency of the need warranted this action. The Secretary, not being a member of the Board, may here express her belief that our Baptist people will not allow this condition to continue, but now that the fact is known will at once increase their contribution until they are

proportionate with those of other Baptist efforts, and are adequate to the need. The Board has carried on this work in a most careful and conservative manner, using caution not to interfere with other church efforts in its methods, well knowing that the first to appreciate such caution would be those for whom we labor.

Grateful Acknowledgement.

The Board would extend their thanks to the Editor of the Alabama Baptist for his kind offer of the use of his pages for the advancement of this cause, and for many other courtesies. The Secretary has received also many helpful suggestions from Secretaries of Ministerial Relief in our own and other denominations and begs to express her appreciation of these. To Dr. Henry H. Sweets, Secretary of Ministerial Relief of the Southern Presbyterian Church, and to Rev. J. W. Norton of the Methodist Church of the North Alabama Conference, and to Dr. C. C. Brown, Secretary of Ministerial Relief of the Baptist Board of South Carolina, she is especially indebted, and would here express her grateful acknowledgement of their valuable aid.

Endowment Fund.

There has been no marked increase in the Endowment Fund; the Board having deemed it wise, for the past year, to devote the greater effort to increasing the annual contributions, that we might make immediate provision for those to whom we are now obligated. We have received:

On account of current fund from churches.....	\$ 3,241 70
On account of current fund from W. M. U. Societies	319 43
On account of endowment fund from individuals and Ass'ns.....	485 47
On account of endowment fund from W. M. U. Societies.....	36 00
Total.....	\$ 4,082 60

This includes the amount received from Dr. W. B. Crumpton, carried over from last year.

We would urge this fund on the attention of our people, since it will enable us to make provision more worthy and of a surety heretofore impossible. The interest of this invested fund will save the Board the necessity of decreasing the amount appropriated monthly, in case of delayed contributions from some of our churches. We therefore, most earnestly, commend this fund to our people of means, for their gifts and legacies, which can be made as a memorial fund if desired.

In Memoriam.

Death has entered the ranks of our beneficiaries, our beloved brother, W. G. Curry having been called to his well deserved eternal rest. It is with saddened hearts that we realize how short a time is given us in which to show our gratitude for the sacrifices of those to whom we now minister. Each month we send very promptly our payment of the small amount lest it be too late. Swiftly the Reaper gathers them in and we grieve to think how little we have ministered to the comfort of those, who having ministered to us through more than a generation, are now gone to claim their reward. To them a crown of Glory—to us, what? How many of us can of right claim a share in that day, when the King shall say, "Come ye Blessed of My Father" "Inasmuch as ye have done it unto one of these, my brethren, ye have done it unto Me." (See Item 22.)

Recommendations of the Board.

In closing this report, the Board begs that our people will remember, with the gratitude due them, the worn out ministers of our State, and make

contributions to this cause through this year, and through the years, proportionate to their means. We especially commend the work to our Sunday School Superintendents, earnestly requesting them to instruct and encourage their schools in this work. It is to our Sunday School scholars that we must look for future work in this cause.

We ask also an interest in the prayers of our Convention for the success of this work.

Respectfully submitted,

MRS. GRACE HIDDEN WILKINSON, Secretary.

15. The report of the Board of Trustees of Judson College was read by G. G. Miles, as follows, viz:

REPORT OF JUDSON COLLEGE TRUSTEES.

A Prosperous Session

It is gratifying to report the continued prosperity of Judson College. The president's report shows an increase in attendance over the past session, 274 students being enrolled. Forty officers and teachers were employed, and the work of the institution was up to the highest standards of recent years. At the commencement 42 diplomas were issued which was the largest number in the history of the school, so far as the records show.

The health department has had a remarkable record. For more than three years there has not been any serious case of illness in the institution.

As usual the religious work has been marked by strong interest and excellent work. The Bible school and the religious organizations have contributed about \$800.00 to missions and other benevolent objects. Forty-two young ladies graduated in the Bible courses offered by the International Sunday School Union and the Convention Board Teachers' Courses. The examiner of these papers wrote the officers in charge that these papers were the best that had ever been submitted to her. A considerable number of the students were converted during the session and united with the church. Seven of our best girls offered themselves as student volunteers for work in foreign lands.

Courses of Study Advanced.

During the session the Judson joined with the other leading schools of Alabama in the formation of the Alabama Association of Colleges, and adopted the standard entrance requirements for Colleges in Class A, and will maintain the same standards. In connection with the College there will be conducted an Academy for those who are not able to offer the required number of units for entrance.

President's Home Completed.

During the session the new President's home has been erected at a cost of about \$12,000.00. It is built of brick and trimmed with stone. The

architecture is pure Colonial throughout. The building has twelve rooms and every modern convenience. The College has long needed such a home for its President and the institution is brought under renewed obligations to the liberal donors, Col. B. F. Ellis, members of his family, Mr. C. W. Ashcraft and other interested friends.

On the wall at the entrance there is a memorial tablet bearing the inscription:

The President's Home.
Memorial to
ZADIE ELLIS ASHCRAFT,
Loyal daughter of Judson College,
Whose life beautifully exemplified
its highest ideals.

Bequest of \$10,000 for Endowment.

The trustees record with profound gratitude the liberal bequest of our late Brother J. C. Bush, to be used as a nucleus for an endowment for the Judson, the amount of which is \$10,000. Always the devoted friend of the institution, ever ready to help with his counsel and means, in the most critical period of her history he furnished sufficient money to make possible the payment of the great bonded debt, and thus prepared the way for the great progress that has been made in recent years. It is but natural that he should remember the Judson in distributing his gifts for the advancement of the Redeemer's Kingdom. (See Item 49.)

Dr. Paul V. Bomar, Vice-President.

It gives us great pleasure to announce that Dr. Paul V. Bomar, who for some years has taught philosophy in the Judson, has accepted the position of Vice-President of the institution, and that he will be more closely affiliated with the work than ever before. The President reports that he has received many expressions from patrons and friends enthusiastically commending this action of the Board. The splendid services he has rendered the institution has won the admiration of all who are acquainted with him, and it is confidently expected that his acceptance of this position will add much to the efficiency and progress of the Judson. It is understood that he will take entire charge of the Bible work and that he will give the President such assistance as will enable him to spend more time on the field in raising funds for endowment and equipment.

Resignation of President B. F. Ellis.

It is with great regret that we announce the resignation of Honorable B. F. Ellis as President of the Board of Trustees; a position which he has filled for many years with great satisfaction, not only to the Board of Trustees but to the entire denomination in Alabama. We are glad to report that he will continue as a member of the Judson Board and that his valuable experience and wisdom will still be at the command of the Board. For thirty years he has been a member of the Judson Board and in that long period has missed only one regular meeting, a record of faithful and efficient service, which has been equalled by few in our denominational work. Appropriate resolutions expressing high appreciation of his services to the Board were passed at its last regular meeting. Upon the acceptance of the resignation of Col. Ellis, Mr. Ernest Lamar was unanimously recommended to the Convention as his successor.

Enlargement and Endowment.

Our reports to the Convention for the past two or three years have directed attention to the need of enlarging the accommodations for boarding

pupils, the erection of more adequate college buildings and the necessity for endowment. At each of the last two Conventions these recommendations were heartily endorsed, and the Trustees were instructed to execute the plans as early as practicable. It is the desire of the Board to inaugurate at once a movement for new buildings and endowment, and we appeal to the Convention for support. We believe we would be recreant to our obligations to the Baptist girls of Alabama and to all the interests of the Convention if we fail to meet the demand for such adequate additions as will keep the Judson in the forefront of Colleges for women. Other Colleges in our own and other States are making rapid strides forward and it is confidently believed that the constituency to which the Judson has been so dear, and to which it has rendered such splendid service will respond liberally to our appeal.

Trustees whose Terms Expire 1910.

The terms of J. F. Pope, J. H. Bailey, J. L. Coleman and J. S. Carroll expire at this meeting and it will be necessary for the Convention to elect their successors.

C. A. WILKERSON, Chairman.

Adopted by the Executive Committee of Board of Trustees July 15, 1910.

T. T. DAUGHRILL, Sec'y.

16. The report of the Committee on Co-operation was called for and read by J. L. Thompson, and adopted, as follows, viz:

REPORT OF COMMITTEE ON CO-OPERATION.

Your Committee begs leave to submit the following: According to our best information and observation we believe that the plan of apportionment among the Associations and churches with the use of the schedule for collections has been very helpful to the work of the Convention, and more than compensates for the expenditure of time and money required to get the plan before the churches.

We would recommend:

(1.) That the Baptists of Alabama attempt to raise the following amounts for the Convention year, 1910-11:-

State Missions.....	\$ 32,000 00
Foreign Missions.....	40,000 00
Home Missions.....	30,000 00
Orphanage.....	10,000 00
Denomination Education.....	5,000 00
Ministerial Education.....	5,000 00
Bible and Colportage.....	3,000 00
Aged and Infirm Ministers.....	5,000 00
	<hr/>
	\$132,000 00

(2.) We recommend that the Apportionment Table be printed and distributed in such numbers as seems wise to the Corresponding Secretary. It is worthy of study, and every pastor would do well to tack it up in his study for reference.

(3.) We recommend to the Moderator of each Association, the appointment of a careful committee to apportion among the churches the amounts suggested for the Association over which he resides.

(4.) We also recommend that the pastors speak hopeful, inspiring words concerning the raising of amounts suggested, and encourage the faithful

use of the cards, the collection calendar, and other methods which the Convention may improve.

The Apportionment Table is appended to this report and is a part thereof. (See Table at end of these proceedings.)

Respectfully submitted,

J. L. THOMPSON,
A. S. SMITH,
PAUL V. BOMAR,

18. W. B. Crumpton, president of the Board of Trustees of the Healing Springs Industrial Academy read the report of the Board as follows, viz:

REPORT OF TRUSTEES OF HEALING SPRINGS INDUSTRIAL ACADEMY.

The school closed its most successful session in May, reporting seventy-seven pupils enrolled. Prof. W. B. Spier, after two years of successful service, resigned, very much to the regret of the trustees and patrons.

We have just elected Prof. H. A. Barker, who will be on the ground in two weeks. He comes to us well recommended as a teacher of experience and a man of fine character.

A movement is now on foot looking to the purchase of land adjacent to the school property. The purchasers will be good friends to the school and are making the purchase for the benefit of the school.

The trustees have determined to clear some of our land and thus make the school more an Industrial Academy. The fine lands of Washington County are being gradually occupied by a thrifty class of white people, which will make our school more in demand.

W. B. CRUMPTON,
President Board of Trustees.

19. The report of the Board of Trustees of the Orphan's Home was read by C. S. Rabb, one of its members, as follows, viz:

SEVENTEENTH ANNUAL REPORT BOARD OF TRUSTEES OF LOUISE SHORT BAPTIST WIDOWS' AND ORPHANS' HOME OF ALABAMA.

Our Children.

Of course their welfare and what is being done for them is what we are all interested in, for we owe our existence to the fact that there are homeless and helpless children about us, and our duty is to them. There are in the Orphanage, at this time, eighty-seven (87) children.

We have really had very little sickness during the present year and the children seem happy and contented. A good school is maintained for nine months with two competent teachers; in addition, we are doing some special industrial work for the boys and girls and this particular department will be improved during the coming session. We are more and more impressed that it is our duty to train these children's hands along with their minds.

Statistics as to Children.

On July 1, 1909, we reported number children in the Orphanage -----	118
Since that time we have received -----	28

We have sent out the following children:

Number returned to relatives and guardians -----	38
Placed in homes, other than adoption -----	11
Placed in homes, by adoption -----	6
For whom employment was found -----	4— 59
Leaving number in Orphanage at this time -----	87

There are 6 whose ages range from	1 to	5	
“ 20	“	“	5 to 10
“ 30	“	“	10 to 13
“ 12	“	“	13 to 15
“ 7	“	“	15 to 16

It will be seen from the above table that while the number received (28) has been large, at the same time the total has been decreased. This is clearly due to two causes: First, the large number that have been returned to relatives, for we hold that children who have relatives, who can care for them, should do so. Second, by the established policy of the Board of placing children in good homes, where we can find them. We have a great many applications, but the small number sent out indicates that great care is exercised in this direction.

Religious Opportunities and Moral Training.

We have a good Sunday School in which we use Convention literature (which the Sunday School Board kindly donates to us). The children have all the church privileges afforded by a progressive church; and in addition have devotional exercises every morning. It was our delight to see eighteen (18) of our children follow our Lord in Baptism during the past year. It has been our constant aim to raise the personnel of the workers in the Institution, fully realizing that the moral training of the children is dependent upon the ability and faithfulness of these workers. And what a work is theirs. When we recall the fact that these children are brought from all parts of the State, removed from the restraining influences of relatives and friends, then it is we begin to realize the responsibility of those who are filling these positions. It has been our good fortune to secure some consecrated christian workers, busy among them, and it is easy to see the fruits of their service.

Repairs and Improvements.

As was stated in our report of last year, the buildings were generally in need of repairs of various kind. The sanitary system was old and defective and remembering our siege of typhoid fever last summer we had it replaced with the most improved appliances, a new laundry building was erected and machinery bought, buildings repainted and the property generally overhauled, the total cost being about \$3,000.00. The result we think fully justifies the expenditure. We have now all the buildings that we can use for several years and the property in good condition. A considerable sum has also been spent in putting in machinery and other appliances for the Industrial Department.

Farm Work, Live Stock.

Under the direction of Brother A. J. Brooks, acting as Superintendent, a distinct advance has been made in both departments, a bountiful supply of vegetables, milk and butter is kept for the large family and a promise of abundance of melons, sugar cane, peanuts and kindred products a little later on. The old herd of cows was disposed of and a new lot purchased.

*** Clothing the Children.**

For many years it has been the custom of our Ladies' Aid Societies together with a few individuals to try to do this work for us, and they did the best they could, and we thank them for it, but it was exceedingly unsatisfactory. The wide variation both as to make and as to quality of clothing brought about no end of friction and what was still worse an utter want of appreciation. This matter was carefully considered by our Board and as a result we asked our good women to send us money instead, so that we might buy the goods and as far as possible do this work in the Home, thus making practical use of the Girl's Industrial Department. The plan has had their hearty endorsement and support and we are very sure that no mistake has been made in making this change. Naturally some additional expense has been incurred and additional work placed on some of the officers.

Financial Support.

We have followed the schedule adopted by our Convention, and early in each month all churches in the territory allotted to us are notified that we expect them to contribute to our support. As usual some respond while others pay no attention whatever to the appeal. If our churches would follow the plan we would have sufficient money coming in each month to pay our expenses. We are still having to borrow money to tide us over till fall for we know that the money will come. Our people have ever responded to the call for the Orphanage and this past year has been no exception. The First Church of Selma sent us a check for \$755.00, probably the largest church contribution that has ever been sent us. Our Sunday Schools have been a wonderful help, the number of regular contributors is steadily increasing and the many contributions that are coming in from all over the State, what a joy for us they are, for they mean interest in the work. As will be seen from the Financial Exhibit, we have paid the old debt that has so long crippled us, and in addition paid more than half of the expense of the recent improvements. We feel safe in saying that but for the high pressure for the Home and Foreign Missions, this spring, which displaced us on the schedule, we would have been entirely free from debt.

Prompt Remittances.

If our treasurers and church clerks only realized what promptness in sending in money collected for the Orphanage means to us, we feel sure that we would get better results. We also wish to call attention to the fact that

we must have the name of the Church, Sunday School or Society that sends the contribution in order to give the proper credit. Usually this is done, but often it is not. We are doing our best to make prompt acknowledgment of all remittances. Please send all money marked plainly to the "Baptist Orphanage," Evergreen, Ala., and if you do not get a receipt, write us.

Special Gifts.

By the terms of the will of our lamented Brother J. C. Bush, of Mobile, this Institution is to receive the sum of \$10,000.00 as an endowment fund. Brother Bush made a splendid donation to this Institution several years ago, one of our buildings bearing his name. Brother Bush was for quite a while a member of the Board of Trustees, so that in his life as in his death he was a friend to the Institution. We thank God for such men. In this connection we wish to refer to that splendid gift made this Institution nineteen years ago, when Mrs. Marie Louise Woodson of Selma gave a deed to her property in order that the Orphanage might be established. The name, "The Louise Short Baptist Widows' and Orphans' Home of Alabama," being given it to perpetuate her family name. We feel sure that our people will be pleased to know that here with us she is spending her declining years, now eighty-four years old, greatly afflicted in body she awaits the final summons. At her request we bear her greetings to this Convention and to her old friends.

Endowment Funds.

Gifts of this character usually stipulate that only the income may be used. It is the purpose of this Board, when the bequest of Brother Bush's estate comes to us, to set aside the income for the industrial work, and it will not enter into the usual expense of operating the Orphanage. We make this definite statement that there can be no misunderstanding as to its use. We are just being placed in possession of Mrs. Woodson's property, though the income is to be used for her maintenance and comfort.

Conclusion.

The year's work has been closed, much of it we wish had been done better, a great deal has been done well. We look to the future. We believe our people deserve to have an institution second to none and that they are willing to furnish the money when it is wisely spent. So we say to all of you, as you pass Evergreen, stop off and see what you have, praise or criticise as you think we deserve, we will try to profit by it. Nothing gives us more pleasure than to have our people visit the home.

We beg for the sake of the Orphanage a continuance of your generous support we will try to expend it to the best advantage and as far as we have the ability, administer all the affairs of the Institution.

Respectfully submitted,

M. C. REYNOLDS, President,

Board of Trustees Louise Short Baptist Widows' and Orphans' Home of Ala.

20. R. F. Manly, Treasurer of the Convention, reported that the note of the Home Mission Board of the Southern Baptist Convention, for the money received from the sale of the Scottsboro property, had been turned over to that Board, as instructed by the Convention last year, and the receipt therefor turned over to W. B. Crumpton, and that no funds had been turned over to him during the year.

21. The Committee on a Baptist Hospital, appointed at the last session of the Convention (see page 65, item 56, minutes of 1909), reported as follows, which was adopted, viz:

REPORT OF HOSPITAL COMMITTEE.

To the Alabama Baptist State Convention:

Your Committee on the establishment of a Baptist Hospital in Alabama would report that it has received and considered propositions to inaugurate such an institution in the city of Birmingham, but did not consider the inducements sufficient for the inauguration of the enterprise. We therefore recommend that the Committee be continued with its present powers, and authorized to proceed whenever a sufficiently feasible proposition may be presented.

A. J. DICKINSON, for Committee.

22. The report on Memorials was read by the Secretary, and adopted as follows, viz:

REPORT ON DECEASED MINISTERS.

Since the last session of the Alabama Baptist State Convention, the following ordained ministers have died, viz:

W. C. Avant.

He was born in South Carolina, April 11, 1832. He was converted and joined the church at the age of seventeen, and four years later he was licensed to preach. He was ordained to the ministry at Zion Baptist Church in Covington County, Alabama, April 30, 1859. Most of his ministerial labor was done in Butler, Covington, Crenshaw, Montgomery and Pike Counties, Alabama.

He was twice married—first to Miss S. M. Webb of Pike County, February 25, 1858, to which marriage nine daughters and five sons were born; second, to Mrs. Rebecca Mitchell, November 23, 1905.

He died December 28, 1909, and was buried at Luverne, Alabama.

Duke O. Baird, M. D.

He was born in North Carolina, October 18, 1831. In early life he moved to Madison County, Alabama, afterwards moving to Pickens County, Alabama where he resided for the last fifty years, his death occurring November 11, 1909, at his old home.

He was a brave Confederate soldier, for years a successful practitioner of medicine, and for the last thirty years a successful pastor, and a prescher of unusual power, true and loyal as citizen, husband, father, friend, and servant of our Lord.

His remains were laid to rest in the old family cemetery in North Pickens, by an immense throng of admiring friends, November 12, 1909.

J. E. Bagwell.

(No data could be secured up to the time of going to press).

Boardman H. Crumpton, D. D.

He was born at Pleasant Hill, Dallas County, Alabama, March 19, 1840. He was converted and baptized at thirteen years of age. He was a student in Howard College three years, leaving in June, 1859, and was ordained to the ministry a few days thereafter. He was married to Miss Ralphine Caroline Armstrong, adopted daughter of Dr. and Mrs. Henry Talbird, and a graduate of Judson College, Oct. 27, 1859, to which marriage seven daughters and one son were born.

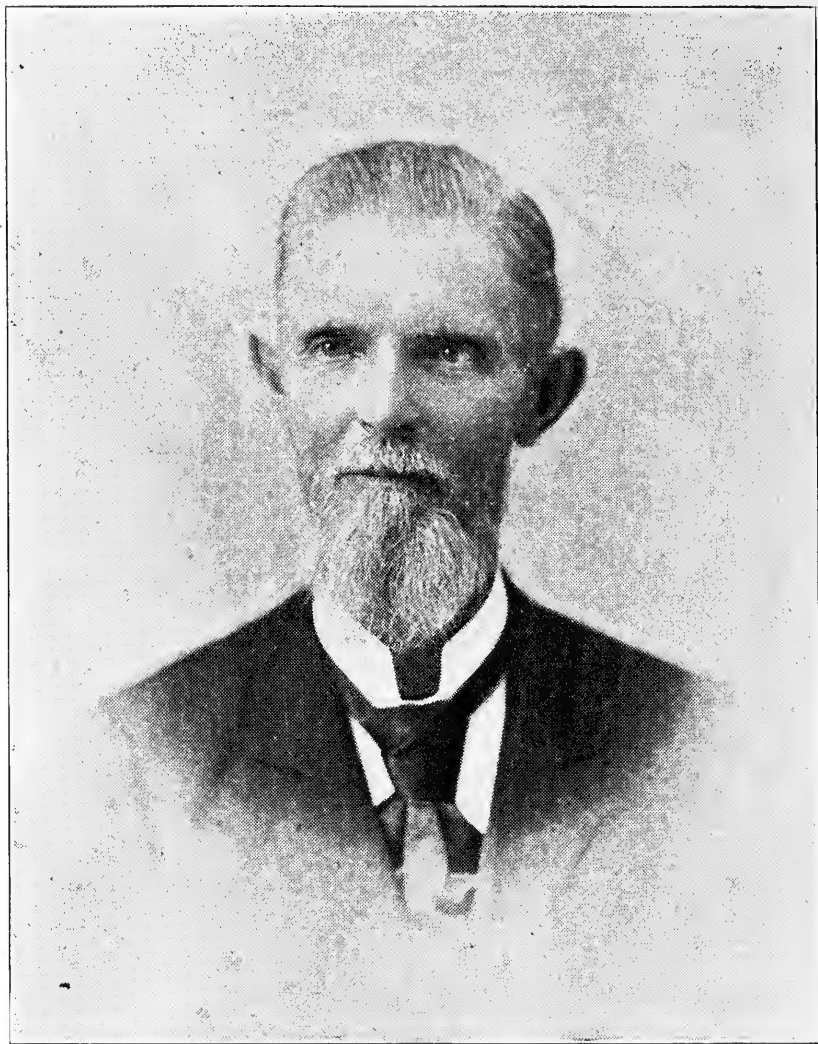

His ministerial life of fifty years, which ended at Bay Minnett, Alabama, where he had gone for treatment, October, 1909, was one of great usefulness. He was pastor of about twenty churches in Alabama, among which were Greenville, Evergreen, Palmetto Street, Mobile.

The degree of Doctor of Divinity was conferred on him by Howard College, in June, 1888, and at different times he was a trustee of Howard and Judson Colleges.

His remains were laid to rest by loving friends, in the cemetery at Evergreen, Alabama, October, 1909.

William G. Curry, D. D.

He was born in Monroe County, Alabama, September 11, 1844, and died January 11, 1910.

B. H. CRUMPTON, D.D.

JACKSON GUNN.

He was converted and joined the church, and licensed to preach at 16 years of age. He joined the Confederate army, and in 1863 was ordained at Orange Court House, Va., and elected Chaplain of the Fifth Alabama Regiment.

His school advantages were limited, but being a diligent student he grew in knowledge, and in 1897 Howard College conferred on him the title of Doctor of Divinity. Among the prominent pastorates held by him may be named Furman, Livingston, Eutaw and New Decatur. He was a trustee of Howard College, Judson College, and held other prominent positions.

He was married to Miss Annie M. Wiggins, June 29, 1865, to which marriage eight children were born, one of whom is Rev. J. R. Curry, pastor at Tuskegee, Alabama.

His remains were laid to rest at Livingston, Alabama, Jan. 12, 1910, and thus passed one of the cleanest, most useful men among us.

Jackson Gunn.

He was born in Robertson County, Tennessee, September 8, 1823. He was converted at the age of fifteen years, and received as a member of Hopewell Baptist Church in Robertson County, Tennessee. He received his literary training at Port Royal, Tenn., and Georgetown College, Kentucky. He was ordained to the ministry the third Sunday in October, 1848, and soon after settled in North Alabama, where he lived until his death, which occurred near Trinity, Alabama, April 30, 1910.

He was a successful farmer, an influential and useful citizen, representing his county in the Legislature, session of 1870-71, and a popular minister, both as pastor of churches in the Tennessee Valley, and Moderator of the Muscle Shoals Association.

He was married to Miss Elizabeth Ellet, daughter of Deacon Edmond Ellet, Tusculumbia, Alabama, April 3, 1849, to which marriage eight children were born—three daughters and three sons, still living.

H. G. B. Ray.

He was born in Wilcox County, Alabama, December 27, 1827, was converted and joined the church about the year 1867, and ordained to the ministry in 1874 or 1875. He was married to Susan Sturdivant, December 19, 1849, and died September 30, 1909, and buried the next day with Masonic honors.

J. C. Wright, D. D.

He was born in Abbeville, South Carolina, December 1, 1830. He came in early childhood with his parents to Alabama, and settled in Talladega County, where he grew to manhood. He graduated from Howard College in June, 1856, and the following year was ordained to the ministry at Newberne, Alabama. The degree of Doctor of Divinity was conferred on him by Howard College, June 13, 1887. His pastorates were, Newberne, Greensboro, Clinton, Forkland, Mobile, Jacksonville and Oxford. He was married to Miss Elizabeth Brown of Greene County, Alabama, who still survives him.

He died at his home in Oxford, Alabama, September 13, 1909. Thus ended a life remarkable for its gentleness, purity and devotion to the ministry of our Lord.

J. C. WRIGHT, D.D.

23. The Program Committee recommended that the hours of 8:30 to 10 p. m. be given to State Missions, and that the time from 9 to 9:30 a. m., Wednesday, be given to devotional exercises, conducted by David Bryan; that 9:30 to 10 be given to Miscellaneous Business, and 10 to 12 be given to the interests of Howard College, which was adopted.

24. The President announced the following Committees to report at the present session (see item 00), viz:

On Nominations—W. M. Blackwelder, J. A. French, J. P. Montgomery, Sheriff Lacey, E. P. Smith, H. O. Murfee, and B. S. Railey. (See Item 41).

On Time, Place and Preacher—J. E. Barnes, D. D. Head, J. W. Dean, D. J. Williams, R. F. Manly, J. A. Cook, and C. N. James. (See Item 29b).

25. The report on Woman's Work was read by E. M. Stewart and laid on the table for future action, as follows, viz:

REPORT ON WOMAN'S WORK.

With the acknowledgement of information received from the headquarters of the Woman's Missionary Union of Alabama, and assistance rendered by the Secretary-Treasurer, Miss Kathleen Mallory, in preparing a message which, if borne faithfully from its source of devotion to Christ and His cause on earth, must give joy to those in thorough sympathy with the service of love and earnestly appeal to those who have theretofore been indifferent, the deepest attention, assured by co-operation and respect, is claimed, with the expectation of seeing greater interest manifested in Woman's Work at this Convention than at any previous gathering of the hosts of Alabama Baptists.

It becomes men to view the progress in the spirit which has characterized it, and all will delight in the motto for this year as, "We advance *together*, on our knees."

Prospectively, we may contemplate the survey over lands not yet made smooth and beautiful by the organized efforts of women, for a view of the 1963 churches within the bounds of the Convention was made at the beginning of the year and 1538 of these churches were then without Woman's Missionary Societies, but the soil is good and the hope of the sowers cheering. With a present total of about 700 societies under the supervision of the Woman's Missionary Union, the aim of 200 new societies for the year seems accurate.

Here too is a better outlook of the places now occupied and growth is declared by the estimate of this year's yield of fruit. The advancement warrants the financial promise of \$5,000.00 for State Missions; \$5,500.00 for Home Missions; \$7,800.00 for Foreign Missions; \$820.00 for the Training School at Louisville; \$60.00 for the Margaret Home; \$110.00 for the Bible Fund; \$500.00 for the W. M. U. Expense Fund; and the emphasis to be placed on systematic and proportionate giving; the every member campaign; personal service and united prayer.

Another great purpose is to develop the work for the young women and the children. A graduate from the Louisville Training School, Miss Rhodes, will give her time to this work, thereby relieving Mrs. Hamilton

of the children's work and Miss Mallory of the Young Woman's Auxiliary and allowing them more time for the many duties of their offices.

In this prospection, through the faithful part performed by the women, all causes fostered are seen prospering. The figures since last June of \$14,445.29 for all objects (not including Church Extension, Home Mission boxes, nor boxes for the Orphanage) have stimulated the men to greater giving. The results on the fields are not small but enlarged by the blessings of God according to His promise.

Echoes from the forces supplement the latest printed reports, with growing enthusiasm, and when this Auxiliary to the Baptist State Convention is observed in its prominent part in the W. M. U. Auxiliary to the Southern Baptist Convention which comprises 10,053 societies striving towards the same great end as a mighty spiritual army, the promise of victory is thrilling.

The Woman's Missionary Union, after extending personally the helping hand with good wishes to all concerned, introduces the daughters of the Young Woman's Auxiliary including nearly 100 societies of young women who speak to the Convention their joy in service, and then the few, but increasing in numbers and strength, bands of Royal Ambassadors, sons in the service are given the privilege of saluting the older workers. With these nearly 300 Sunbeam Societies join in the chorus of happy voices praising God and singing good will to men. Truly a missionary meeting of returned missionaries is next to inspiring, and volunteers are expected to enlist to carry forth the banners till all the churches of the State receive the blessings. Expressions from the leading local societies, declaring the real feasts they enjoy upon that meat which is to do His will are inviting to the others to enter the race for the prize.

The growth is gratifying in members, in offerings, in mission study, in general interest in the institutes (ten having been held this year and others planned for the summer) and in deeper interest shown during the four prayer and self-denial seasons for World-wide Missions, Home Missions and State Missions. If we could hear the statistics on soul-winning, we believe from the increase in church membership this would be the most gratifying feature of the report. But faithfulness in the work leaves these results to God.

The accounts rendered by the different officers are worthy of the study of every man who delights in doing things for the Master.

The words of gratitude to the State Board of Missions for all that has been done for the women are only surpassed by their works showing growing interest in State Missions. They contributed largely to liquidating the debt of the Board this month. The merits of the page so kindly given them in *The Alabama Baptist*, proves their appreciation of this organ, as well as their loyalty to it before the people whom they urge to subscribe to and support.

The mission rooms in Montgomery deserve mention. To visit these well kept quarters is sufficient to learn the lesson of diligence in God's service. There literature at the rate of 500 packages per month is being sent out, and all needed information disseminated.

The sound of thorough co-operation is all that can be heard from the Woman's Auxiliary, and now they ask that each Association contribute \$5.00 for the work within its borders and that the ministers assist in getting the first Sunday in March set aside as "Woman's Day." The matter is left in the form of a request, the approval and appreciation of the work to be expressed now, but proven more substantially after the Convention.

Respectfully submitted,

ELDRED M. STEWART,
Chairman of Committee.

26. On motion A. W. Briscoe was added to the standing committee on Foreign Missions, and the Convention adjourned to 8 o'clock p. m.

First Day—Evening Session.

27. The Convention reassembled at 8 o'clock p. m., and after a prayer and praise service, conducted by C. J. Bently, the Convention was called to order by the President, and the interests of State Missions being in order, W. B. Crumpton was called to the chair, and this subject spoken to by W. B. Crumpton, W. W. Campbell, G. G. Miles, and J. M. Frost.

(a) By common consent, G. G. Miles, its President, read the following supplemental report to the State Board of Missions, which was adopted: (See Item 12).

SUPPLEMENTAL REPORT TO STATE BOARD OF MISSIONS.

Your Board thinks that the submission of its twenty-first report during the term of service of the present Secretary, Dr. W. B. Crumpton, calls for more than a bare mention as in the regular report. Your Board, therefore, would take this occasion to express its gratitude to God for granting us His servant, as our efficient leader, for so many years, and we pray that God's blessings may abide richly upon him, that he may serve the Kingdom of God yet many years, more in the ripeness of his experience.

This Board desires to express its sincere affection for him, and its grateful appreciation of his services, and unshaken confidence in him as a true and faithful leader of the work.

We bespeak for him the loyal support of all our brethern and their cordial sympathy which his self-sacrificing and efficient services richly merit.

We think it proper and agreeable to the Convention to report these expressions of our appreciation of this peerless servant of the Kingdom of God and invite the Convention to join us in adopting these tokens of affection and gratitude. We ask this because it is a supplemental amendment to our report.

Respectfully submitted,

G. G. MILES,
A. J. DICKINSON,
PRESTON BLAKE

28. After announcements the Convention adjourned to 9 o'clock a. m., Wednesday.

Second Day—Morning Session.

29. The Convention reassembled at 9 o'clock a. m., and after a prayer and praise service, conducted by David Bryan, the President called the Convention to order and the following Miscellaneous Business matters were attended to, viz:

(a) The President announced the following Committee on Resolutions, viz: W. A. Davis, J. W. Willis, L. M. Bradley, G. D. Motley, and J. R. Keyton.

(b) The Committee on Time, Place and Preacher asked to make the following partial report, which was made the special order for noon, today, viz: (See Items 32 and 35.)

REPORT OF COMMITTEE ON TIME, PLACE AND PREACHER.

Your Committee on Time, Place and Preacher beg to make a partial report, as follows:

We recommend that the Convention meet on Tuesday after the second Sunday in November, 1911.

Respectfully submitted,
J. E. BARNES, Chairman.

(c) The report of the Trustees of the Alabama Central Female College, was read by H. B. Foster, as follows, viz:

THE ALABAMA CENTRAL FEMALE COLLEGE.

The session last year was unusually satisfactory to Trustees and Faculty, and the pupils, like members of a great family, were industrious and happy.

The attendance was excellent while the promise of patronage for another year is all that could be desired.

The Baptist people of the State can hardly realize what this school is doing for them. Limited in number so that each pupil comes in closest touch with the entire student body and with each member of the Faculty she gets whatever of good or ill the school has to offer. Knowing this, Dr. Giles is extra careful in the selection of his teachers. The effort is always to secure men and women of the broadest culture, but who are at the same time devout christians, and as far as possible, loyal Baptists. There are few schools in the land more thoroughly permeated by christian influence or more completely dominated by the Baptist spirit. We believe that a teacher should be more than a mere specialist to teach a certain subject. That much is needed, of course, but the personality of the teacher, the trend and power of the life for good is of equal importance at the Central.

Keeping such things in mind, try to realize the meaning of the following figures: We have in the fifty-two years of our existence educated under these influences in whole or in part, 6726 pupils; we have sent out 428 graduates; we have given free tuition to about 500 girls. In the last ten years, since the coming of Dr. Giles, 226 of our pupils have taken the State teachers' certificate, and notwithstanding its limited number of pupils, the school stands fifth in the number of Alabama High School teachers.

We submit that this work which cannot be expressed in mere figures is one for which the State as a whole and the Baptists in particular ought to be profoundly grateful.

It has been done at great cost to the local friends of the Institution, but almost without expense to or even the knowledge of the Baptists of the State. During the history of the college, the people of Tuscaloosa have contributed about \$65,000.00 for buildings, equipment and repairs. The Baptist State Convention has contributed \$1,800.00. We owe now less than \$400.00 and this debt is for concrete sidewalk laid on the south of the college grounds.

Our great buildings are such that they will last one hundred years without dilapidation, and yet the need of paint and plaster give them, at present, an unkept and untidy appearance. When they are repaired they will be handsome and imposing far beyond anything we are now able to build.

To do this we need \$3,000.00, and need it right now.

HENRY B. FOSTER.

(d) By unanimous consent P. V. Bomar informed the Convention of a movement to erect a home for the family of the late J. W. McCollum, missionary to Japan. Further remarks were made by L. O. Dawson, and a collection in cash and pledges was taken, amounting to \$825.00.

30. The special hour for considering the interests of Howard College having arrived, the report of the Board of Trustees of Howard College was read by J. B. Ellis, its President, as follows, viz:

REPORT OF HOWARD COLLEGE.

Albertville, Ala., July 19, 1910.

To the Alabama Baptist State Convention:

Brethern—In making an annual report touching the affairs of Howard College, your Trustees beg leave to say that the session which closed last May was reasonably satisfactory.

The total enrollment during the year was 163. Of this number there were 40 theological students. There were 16 graduates upon whom degrees were conferred.

The same Faculty will constitute the efficient teaching force next year, except that Professor C. W. Wade has been employed as a substitute for Professor A. J. Moon, who was given a year's leave of absence to attend the University of Chicago.

The financial condition of the College would have been less strained if all the churches and individuals had paid the amounts which they subscribed for current expenses for christian education.

When we take into consideration the fact that a million dollars was apportioned to the State institutions for buildings and permanent improvements during the last four years to say nothing of the additional large amounts appropriated for current expenses, we are led to realize the necessity of giving a more liberal support to Howard College, if our boys are to be given the privilege of receiving a christian education in an institution which shall compare favorably with the schools provided by the State.

The Baptists of Alabama believe in christian education. The future growth and prosperity of our denomination and all that it stands for, depends, in a large measure, upon the christian culture which our young people may receive in the schools fostered by our denomination.

We have the material both in men and means. Our capital for years to come is nothing more or less than our boys and girls. Shall we make of them a citizenship strong and vigorous, a citizenship which shall go forward and do valuable service for the Master; if we shall only do our duty the young people will do theirs.

Let our slogan be loyalty, love and labor for Howard College.

Respectfully submitted,

JAMES B. ELLIS,
President Board of Trustees.

In connection with the above report, W. A. Davis read the report of the Trustees of the Endowment Fund, as follows, viz:

REPORT OF ENDOWMENT FUND.

The Treasurer submits his fifth annual report, as follows:

Receipts for Year.

Balance on hand, July 20, 1909, principal.....		\$ 2,443 00
Received from various subscribers.....	\$ 6,757 20	
Interest collected.....	2,858 05	9,615 25
		<u>\$ 12,058 25</u>

Disbursements for Year.

		<u>\$ 1,556 56</u>

Recapitulation for Four Years.**Receipts.**

Premium on Treasurer's bond.....	80 00	
Loan.....	46,451 97	53,215 04

Leaving balance in Anniston National Bank... \$ 1,556 56

Of this balance, there has been loaned, subject to payment on demand, \$430.00, leaving for investment, \$1,126.00. The outstanding loans average 7 1-2 per cent. interest.

We have not made the usual annual draft on the General Education Board because the amount due by it is so small—\$2,350.00. This amount is available at any time and, added to the amount of the total collections of principal, shows that the Endowment Fund now paid in amounts to \$50,358.00.

As four of the five installments on the endowment bonds are past due, there should have been paid by this time, \$80,000.00, plus \$3,000.00 or so, paid in advance by sundry subscribers, so that collections are in default at this date to the amount of about \$33,000.00.

The loans are secured by first mortgage on improved real estate in each case, and no interest is in default.

July 15, 1910.

WM. A. DAVIS, Treasurer.

J. B. Ellis informed the Convention that there had been a conference of the Trustees and Faculties of the educational institutes owned by the Convention, in which a committee was appointed to make a report, and requested that J. We further request that this Commission be empowered to raise funds for these purposes, and to distribute them equitably among such schools, each one having the right, of course, to all of such funds as are raised specifically for that school.

And further, that the Commission be given power to employ a Secretary and other needed help to accomplish this work, and to provide such compensation as is just, from the educational funds it may secure.

If the Convention decides to appoint the Commission, the schools, without presuming to dictate, respectfully suggest the following Brethren to act on the Commission, one-third of them going out of office each year:

Anderson, R. J. Willingham, Corresponding Secretary of the Foreign Mission Board of the Southern Baptist Convention, and W. B. Crumpton, the report was adopted, as follows, viz:

REPORT OF FOREIGN MISSIONS.

Never before has the general cause of protestant foreign missions been so firmly established in the confidence of all thinking people, as it is today, and never before has it had such a grip on the hearts of men of affairs at home.

When such leading men of the world as President Taft, Ex-President Roosevelt, William J. Bryan, Robert E. Speer, Dr. Arthur J. Brown, John R. Mott, Dr. F. B. Myer, Dr. Willingham, E. W. Stephens and others, after personal contact with, and investigation of, the work of our foreign missionaries on their fields of labor, give their unqualified indorsement of the missionary enterprise as the mightiest agency in the uplift of the world, the cause is placed beyond the danger line which divides it from those, who for want of the missionary spirit, make bids for notoriety by attacking and denouncing the work of foreign missions. The foreign mission cause has found a place in the confidence of the leading spirits of this age, not because it is the mightiest civilizing agency in the world, but primarily because—*The work of foreign missions is God's work.*

When God made promise to Abraham, it was that in him should *all Nations be blessed*. When God gave his Son to die, it was because *God so loved the world*, and when Jesus gave marching orders to those whom He had redeemed the orders were—*Go ye into all the world, and preach the gospel to every creature.*

God has purposed from the beginning that the gospel of his Son should be a blessing to *all nations*, and He is realizing this purpose just in proportion as his people obey the marching orders of their Redeemer.

A world survey of the general work of protestant foreign missions, according to the best authority, is marvelous and inspiring.

In obedience to the marching orders of our Lord, the gospel is being preached today in 43,934 places in heathen lands. Engaged in this glorious work is an army of christian men and women, 115,130 strong. Of this number 21,834 are regular missionaries, and they are bringing to Jesus approximately 150,000 souls each year. Altogether, no year in the history of foreign missions has been crowned with happier results than the year 1910.

What are the Southern Baptists doing in this mighty conquest? Are we measuring up to our responsibility? Of the 43,934 places held by protestant missionaries in foreign lands today, the Baptist occupy 850 of them. These

churches and out stations are in China, Africa, Japan, Italy, Mexico, Brazil and Argentine

Missionaries.

Of the world force of 115,130 men and women engaged in foreign mission work, only about 600 are under the direction of Southern Baptist, and of the 21,834 regular missionaries approximately 250 of them are sent out and supported by Southern Baptists.

Baptisms.

Out of the harvest of 150,000 souls gathered last year as a result of missionary labors in foreign fields, 3,234 of the converts were baptized by the missionaries of our Foreign Board. This is the largest number of baptisms for any year during the history of our work.

Contributions.

Southern Baptists gave to foreign missions during the year 1909-1910, the sum of \$501,058.84 thus setting a new mark in the matter of contributions. Of this amount our own State paid \$25,264.29, as against \$25,349.00 for last year. Compared with the total missionary work of the world, and in comparison with our ability as a denomination, this seems but little.

We cannot make mention of all the different phases, of departments, of work, under the direction of our foreign Board. Every department is under wise direction and is doing great things for our cause. They all deserve, and should have, the loyal and prayerful support of all our people.

But we desire to call special attention to the *Educational Department* of our foreign mission work. This department has done perhaps more than any other agency to bring the cause of foreign missions up to the position that it now holds in the hearts and confidence of our people. The mission study class has proven well its worth to our cause and should be given a place in the work of every Baptist Church in our State.

The College Lectures was a new departure which the educational department of our Board undertook this year. This was an effort to put into every Baptist College in the South, a speaker to deliver at least three lectures on missions. The departure has proven a marvelous success. Great enthusiasm was created among our students, and 2,000 of them were enrolled in mission study classes, which means much as a contribution to missionary leadership in our churches.

The Layman's Movement has been given special attention by the educational department of the Foreign Mission Board this year. This admirable work upon the part of our laymen has been a great inspiration to the mission cause. We earnestly commend this movement and urge upon our pastors the importance of their making every effort to interest the laymen in this great work.

The New Text Book for the study of missions will be ready for use by the early part of fall. This book called "Southern Baptist Foreign Missions," will contain a chapter from one of our own missionaries on each field and will contain two chapters by our educational secretary on the progress of foreign missions from Cary to the present. This book will treat of our own work, and we recommend that our pastors call special attention to it, and that a class be formed in each church for its study.

Our Expenses.

No reasonable or thinking man could expect a work of as much importance as is our foreign mission work, to go on without expenses. We believe, however, that there is no other enterprise on earth today that with the same

expense, is reaching, uplifting and blessing more people than is our foreign mission Board.

Eighty-eight cents in every dollar contributed to foreign missions goes direct to the missionary on the field, and when the purchasing power of an American dollar in foreign lands is considered, each dollar given to foreign missions means more than 100 cents direct to the missionary. If those who use the *too much expense* excuse would kick less and see to it that their churches pay their pledges with promptness, the already insignificant expense would be reduced two cents on the dollar at once. The expense account of our Board included this year, an item of \$10,000.00 paid out for interest on borrowed money. This was made necessary by the churches neglecting to send in their contributions regularly. There is no reason why this item of expense should not be eliminated. It can be done by each church adopting some system of regular monthly giving, and it should be done. Let us keep in mind that if this item of expense is ground for complaint, the complaint lies against the churches and not against the Board, and the remedy as clearly lies with the churches. We recommend therefore, that each church in our Convention adopt some system of regular monthly giving, and that the amount so collected each month, whether great or small be promptly forwarded for immediate use.

The Foreign Mission Journal and the many tracts sent out by our Board should be used by our people to greater advantage. We urge our people to take and to read the Journal. It is a paper well worth many times the subscription price, and its circulation among our people will do much in the way of bringing our churches to realize the importance of systematic giving.

Believing that God is a foreign mission God; that Jesus is a foreign mission Saviour; that the Holy Spirit is a foreign mission power; that the Bible is a foreign mission Book and that all of these are behind the great foreign mission cause, we submit our appeal in behalf of the benighted millions who are groping in the darkness of superstition and who are lost forever without a knowledge of our blessed Lord.

A. W. BRISCOE, for Committee.

(d) The following resolution submitted by W. B. Crumpton was adopted, viz:

Resolved, that the Program Committee for the session of 1911 be requested to provide a program for a ministers' meeting, on Tuesday after the third Sunday in July, 1911.

48. A report of the President of the Trustees of the Aged and Infirm Ministers' Fund was presented and read by H. B. Foster, as follows, viz:

REPORT OF PRESIDENT OF AGED AND INFIRM MINISTERS' FUND.

There is but little to be added to the very complete report of our most faithful and efficient Secretary, to whose enthusiasm and devotion is due the credit of the organization and work of the Board. Whatever of success has been achieved during the year is attributable to her earnest and untiring efforts and we desire to express our appreciation of her unselfish, unremunerated and devoted service, and trust that she may be spared for many years of usefulness and loving service in this and other lines of Christian work.

In addition to the more than 6,000 letters written by our Secretary, several hundred have been written by members of the Board. Over 7,000 letters have been mailed to church societies, and individuals all over the State, seeking to enlist their co-operation in this work.

The Treasurer's report shows a balance on hand on account of current fund of \$2,331.15, and on account of endowment fund of \$485.47.

There are now sixteen beneficiaries on our list, receiving ten dollars each per month, a total monthly expenditure of \$160.00. We have now under consideration the names of two other brethren, who will probably be added to our list.

Realizing that this Board must be exceedingly cautious in its expenditures for the first year, it adopted at its first meeting, July 31, 1909, a resolution that the individual members would defray the necessary expenses for first year. This expense has amounted to \$313.59, spent for stationery, postage and clerical help to the Secretary.

Not one cent has been taken from the fund, even for a postage stamp.

Our Secretary has notified us that it will be impossible for her to continue longer the arduous duties she has had, and to have the responsibility which has been placed upon her, but that she intends still to do all that her physical powers will permit to aid in this work.

We suggest that the work has assumed large enough proportions to justify the expenditure of a small amount for the salary of the Secretary, in addition to paying for stationery, postage, etc.

Vacancies on the Board.

Our Board has sustained a serious loss in the death of Col. T. G. Bush, to whose memory the following tribute is offered by the Board, viz:

The Board of Aged and Infirm Ministers Fund feel that while any formal or adequate expression of the loss we have sustained by the death of the Chairman of our Executive Committee, Brother Thomas Green Bush, may be under existing limitations and conditions, impossible; it is proper that we should at least acknowledge the helpful counsel and valued co-operation he gave this Board and his Committee from the date of his appointment to the end of his honored and useful life.

Being mindful of the many notable and distinguished services rendered by him in every walk and relation of life, and particularly to the Baptist cause, your Board recommend that, as a partial recognition and expression

of our appreciation of our brother, we set apart a page in our minutes of the Alabama Baptist State Convention for the following record:

Thomas Green Bush

A follower of Christ from his early boyhood, unto the end of his earthly career.

In war he served his country with distinguished fidelity and gallantry. In peace, though he neither sought nor held any political office, nor ever accepted any reward for public labor, he often led the way in movements that remedied the wrongs, oppression and corruption of political life and social business conditions; and he made valuable contributions to better laws, and the health, happiness and prosperity of the State of his birth, and of the several cities in which his business and religious activities were spent.

His influence in shaping the financial policy of the United States, as well as in giving form to great movements that have for their end "Peace on earth, and good will to mankind," merited and received wide recognition.

All of his life he gave largely of his means and conspicuous ability to the development of railroads and water-ways, the founding of large industrial enterprises, and the extension of commercial business and religious interests of every kind.

Constantly charged with large responsibilities and delicate negotiations, he was always found equal and faithful to every trust and in every relation, true to himself, his people, and his God.

In addition to the vacancy caused by the death of Col. Bush, whose term expires in 1912, the terms of the following members have expired at this session of the Convention, viz: Earnest Lamar, W. J. E. Cox, H. J. Willingham, and C. A. O'Neal.

The Board has set apart \$2,500.00 to the permanent endowment fund and ordered that it be lent at interest on proper security.

Respectfully,

HENRY B. FOSTER, President.

The report was discussed by R. F. Manly, Preston Blake, H. B. Foster, W. W. Campbell, W. J. Elliott, and the following resolution offered by M. M. Wood, was adopted, and the report was adopted, viz:

Resolved, that the Board of Aged and Infirm Ministers' Fund be authorized to appropriate such an amount of its funds for expenses, as the Board may deem necessary for carrying its work successfully forward.

49. By common consent, R. G. Patrick offered the following memorial to the late J. C. Bush of Mobile, Alabama, which was adopted after an address by R. F. Manly, and the Secretary instructed to set apart a page in the minutes to his memory, viz:

THOMAS GREEN BUSH.

Born August 19, 1847.

Died November 11, 1909.

RESOLUTION

The Convention records with profound gratitude the munificent bequests of our beloved brother, J. C. Bush, to the various objects fostered by this body, and desire to give expression to its appreciation of his quiet and unostentatious service in rendering timely aid in the critical junctures of the interests cherished and maintained by these institutions.

Thoroughgoing and sagacious as a man of great affairs, he was prompt to recognize the timeliness of aid which was afforded with the wisdom which characterized the direction of his own vast interests.

Possessed of a quiet but discriminating spirit he had the genius of compassing great interests, the power of prompt penetration and the readiness to respond with adequacy at the needed moment.

From his earliest manhood, our beloved brother was a liberal but undemonstrative supporter of the cause of his Master. His religion absorbed his business, rather than his business his religion. A life of intense activity held all things else in subordination to a heart devoted to the cause of his Master.

Brother Bush was a model christian man of business. His motives were actuated by the loftiest purposes of a pure heart, his life was a living sermon. While ready to listen to the appeals of divers causes, he was cool and deliberate in the bestowal of his benefactions, never acting with precipitation, but always with deliberate wisdom. He took time to be careful to do right in each instance. (See Item 15.)

50. The interests of Judson College were spoken to by J. A. French, P. V. Bomar, J. L. Rosser and A. J. Dickinson, R. G. Patrick presiding.

51. The interests of the Alabama Central Female College were spoken to by L. O. Dawson and B. D. Gray, and a collection in cash and subscriptions, amounting to \$1,090.00, was taken.

52. The report on Ministerial Education was called for and presented by J. A. Hendricks, as follows, viz:

REPORT OF BOARD OF MINISTERIAL EDUCATION.

In some respects your Board has a good report, while in others it is one of disappointment. When we think of the large number of men who wanted to come to college or the Seminary, but who could not on the small aid we could render then our report is disheartening. Again, when we think of the churches which have supported this work we feel somewhat disappointed. With few exceptions no church which is able to pay their pastor \$1,000.00 has contributed to this work. That means that the country and village churches have supported this work, and are educating the coming ministry.

But we rejoice in the large number of students that have been in our schools this year. We have enrolled fifty-one (51) at the College, twelve (12) of whom had to leave before the year closed for lack of funds. We have undertaken to aid twelve (12) men at the Seminary this year. Besides these there have been quite a number of noble fellows at Newton, some of whom have sorely needed assistance. No man can know the hardships these men endure, especially the married students, in order to equip themselves to serve others. And some of them just had to leave. Evidently some changes must be made of some nature. Either we must aid fewer men or give less aid to those whom we do aid, or we must continue falling behind each year, or the

J. CURTIS BUSH.

churches must give more money to this work. We have a deficit this year of about \$1,000.00. What shall we do about it?

Your Board recommends that the Convention return to our old plan, by which the Seminary will have direct access to our churches, which we believe will be better in many ways.

The Board would respectfully and earnestly beg the Convention to give this vital work a more hearty support.

The Convention was addressed, in this interest, by George B. Eager of the Southern Baptist Theological Seminary, and the following resolution offered by A. S. Smith, was adopted, viz:

Resolved, that the Alabama Baptist State Convention hereby authorizes and invites the representatives of the Southern Baptist Theological Seminary to solicit and receive money directly from contributions for the students fund of that institution, as specified in the report.

53. The report pending, after various announcements the Convention adjourned to 2 o'clock p. m.

Third Day—Afternoon Session.

54. After a prayer and praise service conducted by J. L. Jackson, on motion, fifteen minutes was given in the interest of the Orphan's Home, and the Convention was addressed by C. S. Rabb.

55. Discussion of the report on Ministerial Education was resumed, and after statements as to the condition of the Students' Fund, by George B. Eager, subscriptions to that fund were made to the amount of \$610.

The report was further spoken to by C. V. Cook and Josephus Shackelford, and the report was adopted.

56. The hour set apart for the consideration of the interests of our Secondary Schools, having arrived, the Convention was addressed, in that interest, by A. E. Brown, Superintendent of Mountain Schools of the Southern Baptist Convention, and S. O. Y. Ray, Financial Secretary of the Newton School, and the reports were adopted. (The following report was sent to the Secretary after adjournment).

REPORT OF THE NEWTON SCHOOL.

B. P. Poyner, President of the Board of Trustees, made the following report for the twelfth session, closing May 25, 1910:

The past session has been the best, in many respects, in the history of the school. The records show that we had 109 pupils from the town and community, and 321 boarding students—making a total of 430. In addition to this number there were 35 new ones in the summer school, making in all a total of 430. Nearly all of these were grown-up students, ranging from 15 to 25 years of age. There was a small falling off in the patronage of the town, owing to the improvement of the public school; while this is true, there were 30 boarding students more than in the previous year.

Every department was full and every teacher busy during the entire session. There were more than 185 in the teachers' class; more than 80 in piano, 40 in voice, 56 in elocution, 16 in the ministerial class, 75 in the Sunday School, Bible and church work classes. The personnel of the student body was never better. Faithful work, good health and happy students were signal features of the entire session. The high, healthful town, the pure artesian water, the excellent board, the strict rules, the field sports—all contributed to the success of the year. We had ten teachers—some of whom had to hear classes in the wood shed and in the cellar, for want of room. We have made great efforts to sell the bonds to erect our new building, but with poor success. Less than \$2,000.00 of the bonds have been sold, yet we have collected money on the old subscription bonds sufficient to augment this from the sale of bonds to proceed with the work as follows:

The Auditorium, with 11 basement rooms for music, laboratory, etc., is nearing completion. The walls are finished and the roof is in progress of construction. We have materials bought and paid for, to complete the Auditorium—all but the doors and windows. This, when completed, will cost \$6,500.00. The main building will cost \$12,000.00. Brethren, for the sake of the great cause, for the sake of the poor who are seeking help at our hands, help us on with this building.

Principal Tate says he can easily have 500 students with the new building.

Respectfully submitted,

B. P. POYNER, President of Board.

57. The report on Home Missions was submitted and read by J. A. French, and after discussion by B. D. Gray, Corresponding Secretary of the Home Mission Board of the Southern Baptist Convention, the report was adopted, as follows, viz:

REPORT ON HOME MISSIONS.

After His resurrection and before His ascension our Lord announced his program of missions. It was:

"All power is given unto me in Heaven and in earth—Math. 28:18. Go ye into all the world and preach the gospel to every creature—Mark 16:15.

beginning at Jerusalem (Luke 24:27); and, lo, I am with you always, even unto the end of the age."

The scheme of missions outlined by the Savior took in the entire world. But the nature of the case, as well as his command and the apostolic example, made the world vision include the lost who were near, as well as those who were far away, and made it of first importance. Peter and John of the Apostles who received the commission healed the man lame at the temple gate.

The lame man of today sits at the gate of every church. The Jerusalem church was everwhelmingly successful in interpreting the gospel to its own community. Having the purpose and power to save those around it, it had the spirit that naturally and necessarily sends forth wholesome streams of saving truth to the dark places beyond.

Our Jerusalem and Judea and Samaria are in the United States. Are we doing our part to take and keep our country for Christ?

Out of 90,000,000 population in the United States, there are only about 20,000,000 members of evangelical denominations. Are we not too much neglecting our Jerusalem, Judea and Samaria?

Have our churches the unselfish Christian love and consecration to take hold of the crying needs of the submerged and neglected on the one hand, and of the pleasure seekers and money-mad on the other? The world is asking whether we have a gospel that is strong enough to command the *hearts* and *lives* of sin-buffed men, and bring the harmony of love where now abides discord and selfish greed.

Alien immigrants flock to our shores at the rate of a million a year, and perhaps, two million more of our own people each year are uprooted from their own environment and brought together in new relations in new towns and on the frontier. In these people-movements is at once a great problem and an unvoiced cry that ascends up before God for a gospel that will bring order out of chaos, and replace the hardness and barrenness of sin with good citizenship and brotherly love.

The Christian denominations of America are awakening to the magnitude of these problems and others not here mentioned. They are turning with an encouraging unanimity to Home Missions as the means whereby such problems must be solved.

Southern Baptists *must* take a large part in saving the lost of America. We hold the gospel in its purity. Since we have so much to give in making good Americans, while at the same time we make Christians, we are under the *deeper obligation* to do *large things*. Because we are more numerous than any other Christian body in the South, our obligation is greater than any other.

God has blessed the labor of the missionaries of our Home Board to *far larger fruitage* than that shown by the reports of similar mission boards.

The Board last year reported 27,426 baptisms and 52,910 additions to churches through the labors of missionaries supported wholly or in part by us. No mission board in the world has reported results one-half as large as these. No home mission board in America, so far as we can find, had results more than one-third as large, though several expended four times as much in the work.

Our people are becoming aroused to the large importance of Home Missions, and each year the Home Board receipts are larger. This year the Southern Baptist Convention is asking for \$400,000.00 to be raised for the work of the Home Board. Of this amount \$25,000.00 is apportioned to our State. We ought to raise every cent of it, and more. We are well able to raise it. By the blessing of God shall we not say, "We will raise it."

Your Committee recommends:

1. That our State Board provide for the apportioning of the amount each Association is to raise from the churches.
2. That our pastors be requested to make an earnest effort at least once

during the year to preach a special sermon on Home Missions, and the magnitude and importance of the problems involved.

3. That each of our churches during the year make at least one liberal offering for this work.
4. That a club of subscribers be raised in each church for the *Home Field*, the unusually attractive and illuminating monthly magazine of Home Board.
5. That churches and pastors be encouraged to make a large use of the Home Board's informing tracts and the sample copies of the *Home Field*, both of which are free for the taking.

The address of the Home Mission Board is 723 Austell Building, Atlanta Georgia.

J. A. FRENCH,
R. F. MANLY.

58. The following resolution, offered by W. B. Crumpton, was adopted, viz:

Resolved, that, in order to relieve the Program Committee of embarrassment, we instruct said Committee to arrange the program according to the following schedule, and that this order be changed each year, viz:

I. Missions.

1. State. 2. Home. 3. Foreign.

II. Education.

1. The Educational Commission. 2. Ministerial. 3. Judson College. 4. Howard College. 5. Central Female College. 6. Secondary Schools.

III. Other Things.

1. Temperance. 2. Sunday Schools. 3. Woman's Work. 4. Orphanage. 5. Aged and Infirm Ministers. 6. Ministerial Benefit Society. 7. Laymen's Association. 8. Moderators and Clerks.

59. After announcements, the Convention adjourned to 8:15 p. m.

Third Day—Evening Session.

60. The Convention reassembled for its final session, at 8-15 p. m., and a prayer and praise service was conducted by J. G. Lowrey.

61. The report on the B. Y. P. U. was read by J. G. Dobbins, and adopted, as follows, viz:

REPORT OF B. Y. P. U. COMMITTEE.

The Union held its seventeenth annual Convention at Dothan, April 13-14. The report of Secretary Davidson is full of hope and enthusiasm. Progress has been made. The heaven is at work.

We regret to lose Secretary Davidson from our State, he having lately moved to Shawnee, Okla. He sends words of greeting to the Convention. Mr. Alvin M. Doughlas of Birmingham has been elected to succeed him.

Dr. Frost in his report has this to say as to B. Y. P. U.:

"It seems only natural in this connection to consider the interest of the B. Y. P. U. in the Baptist churches of the South. For this, like the Sunday school, is a method of church instruction—a method in which a church itself engages in the noble ministry of training its members for higher and nobler church membership. The two work together toward one general end. The one emphasizes the teaching function of the church as relates to God's word; the other emphasizes the church as God's plan for christian culture in doctrine, in character and in service. They are both mighty agencies and bring the largest returns to those who use them most generally and effectively. Since this interest was committed to the Board, now only two years ago, far more has been done in its behalf and for its advancement than was promised or expected.

The Sunday School Board, in the prosecution of this work as entrusted to it by the Convention, is in thorough co-operation with the B. Y. P. U. of the South. Our Field Secretaries are giving much time to advancing the B. Y. P. U. interest, and literature is being prepared by the Board as the demands may require, from time to time. Also B. Y. P. U. work and Sunday school work are being combined in our training schools already mentioned, and in Baptist encampments, many of which have lately come into existence in the several States. The B. Y. P. U., therefore, in the hands of the Convention, being fostered and carried forward by the Sunday School Board, is becoming a living power in the churches of our Southern Zion."

The committee in its investigations find that those churches which have the B. Y. P. U. are greatly benefitted by its work, and great enthusiasm prevails. The movement is of God and is destined to vitalize and to revolutionize the work of our churches.

However, a very small per cent. of our churches have availed themselves of this new power. Possibly not more than one church in fifty has this organization.

The recommendations of the committee are as follows:

1. That it be given a more serious consideration on the part of the pastors.
2. That it be given a larger place in our church life and in our Associational and Conventional gatherings.
3. That the State Board of Missions consider the wisdom of lending financial support to the forwarding of the movement.
4. That our young people co-operate heartily in the encampment movement now being inaugurated in our State.

Respectfully submitted,

J. G. DOBBINS, Chairman.

62. The report on Temperance was read by the Secretary, and adopted as follows, after an address by A. W. Covington, Moultrie, Georgia, viz:

REPORT ON TEMPERANCE.

We rejoice in what has been accomplished from a temperance standpoint in Alabama. We have made rapid progress, we believe, in decreasing the demand for intoxicants; and have also secured the enactment of legislation outlawing the saloon in our State. We admit, but deplore the fact, that the prohibition laws, as well as all criminal statutes, are being violated; but we believe that as prohibition becomes more and more the fixed policy of our

State, our people, who are as a rule law abiding, will better and better enforce the law. We dare say that many "tigers" are stubbornly holding to their "business" because there lingers with them the hope that the new year may bring a repeal of the law.

It is our observation that there is less crime under present conditions than when the liquor traffic was legalized. Are we asked to re-establish the saloon to bring about a better enforcement of the laws of the State? Has the saloon demonstrated its capacity or willingness to uphold law and order?

We understand that the incoming administration of our State is pledged to a "fair trial" of the prohibition laws before they are repealed and we pledge our co-operation in its efforts along this line.

We re-affirm our stand for State-wide prohibition for Alabama, and, looking to God for guidance, will try to do our part in the great temperance cause.

Respectfully,

EUGENE BALLARD, Chairman.

63. The following resolution, offered by A. W. Briscoe, was unanimously adopted, viz:

Resolved, that we express our confidence in the Anti-Saloon League of Alabama, and that we do by these resolution affirm our allegiance to said League in the struggle to keep from our State the liquor traffic.

That we express our hearty appreciation of the strong and able address of brother W. A. Covington.

A. W. BRISCOE.

64. The following resolution of thanks, offered by H. R. Schramme, was unanimously adopted, by a rising vote, viz:

Resolved, that the thanks of this Convention are due and hereby tendered to the Baptist pastor and his people, and all the citizens of Albertville for their bountiful hospitality to delegates and visitors, to the railroads, for reduced rates, to the news papers for reports of the meeting, to Mrs. Eddins, K. S. Basmajian, and the male quartet for their songs, and to the college for the use of its building, and to all who, in any way, contributed to the success and pleasure of this meeting.

65. The report on Sunday Schools was read by D. W. Sims and adopted as follows, viz:

REPORT OF SUNDAY SCHOOL WORK.

To me all Sunday school work is a pleasure, yet it is a sense of duty that prompts me to prepare a report on this great work on so short a notice (about two hours). However, my work brings me in contact with Baptist Sunday schools and Sunday school workers in every part of the State, and I beg to mention several reasons we have for feeling encouraged.

1. The enrollment of our Baptist Sunday schools is steadily increasing. The enrollment is not near what we would like it to be, yet the increase is encouraging.

2. The offerings, while not near what they should be, are almost without exception steadily climbing, and the old fashion "penny collection" is fast being replaced by "an offering."
3. A few classes and a number of schools in our State are systematically contributing to missions, thus teaching in a definite way the grace of giving. Let us remember, in reality the Sunday school that only contributes for its supplies is not giving at all, it is only *buying* necessities.
4. The organized Adult Bible Class movement is spreading in Alabama at a marvelous rate. Numerous classes of from four to ten have grown to from fifteen to fifty.
5. Many country and village schools that could not have separate rooms, have curtained off corners for their primary classes, and in several cases the church is so divided by curtains that each class has a curtained off space which has made the teaching more effective.
6. More teachers are training themselves for service than ever before. This splendid forward movement in teacher training work is partly traceable to several sources, among them is the work done by our beloved brother, Prof. J. T. McKee, of East Lake.

Recommendations.

1. That each Sunday school appoint a regular Sunday in each quarter, when some one will, in a brief way, present missions, and have it arranged that each person who attends that day be given a leaflet on some mission field. The offerings on this occasion should also go to missions.
2. That each Sunday school aim to organize the classes with President, Vice-President, Secretary, Treasurer, Social, Devotional and Membership Committees, where the pupils are sixteen years of age or over.
3. That the pastors and superintendents press the matter of teacher training for this is our only hope of final success. It is practical in any school, and but little expense.

The Convention Normal Manual, prepared by Brother W. B. Spillman, Prof. L. P. Leavell and Rev. H. C. Moore, and issued by the Sunday School Board, Nashville, Tenn., and highly recommended by the Board, costs only 35c in paper back. If a class cannot be organized, individuals should take the course.

Respectfully submitted,

D. W. SIMS.

Constitution.

ARTICLE I.—This body shall be known as "The Alabama Baptist State Convention," and shall consist: (1) of three delegates from each Baptist District Association in Alabama co-operating with this Convention, if said Association shall have five hundred members, or under, and one additional delegate for every five hundred members, or fraction thereof, above that number, whose annual election or appointment shall be duly certified by the printed minutes or certificate of an officer of the Association represented by them; (2) of one delegate from each church co-operating with this Convention, if said church shall have fifty members, or under, and one additional delegate for every fifty members, or fraction thereof, above that number; (3) of persons who contribute funds or are representatives of churches contributing funds for the regular work of this Convention, on the basis of one representative for each one hundred dollars actually paid into the treasury of the Boards of this Convention during the fiscal year preceding its assembly. But in all cases must delegates to this body be brethren of baptist churches in good standing.

ARTICLE II.—The officers of the Convention shall be a President, First and Second Vice-Presidents, a Recording Secretary and a Treasurer, together with a Board of Directors, as hereinafter named, who shall be elected at each annual meeting, and who shall hold their offices until their successors are elected.

ARTICLE III.—The President, or, in case of his absence, one of the Vice-Presidents, in their order, shall preside at all the deliberations of the Convention, and discharge the duties usually imposed upon an executive officer of deliberative bodies.

ARTICLE IV.—The Secretary shall make a fair record of the proceedings of the Convention, and soon after the rising of each regular meeting of the body shall attend to the printing and distribution of the minutes of the same, of which he shall preserve a file, which file shall constitute the authentic record of the Convention. He shall also conduct the correspondence of the body. For his services he may receive a reasonable compensation. The printing of the minutes of the Convention and the compensation of the Secretary shall be paid for by a *pro rata* taken from the funds sent for the various objects fostered by this body each year.

ARTICLE V.—The Treasurer shall take charge of the funds of the Convention, and hold the same subject to the order of this body, or of the Board of Directors during the recess of the Convention; and he shall make an annual report of all receipts and expenditures, which shall be audited and published with the minutes.

ARTICLE VI.—The President, Vice-President, Secretary and Treasurer, with nine other brethren, shall compose the Board of Directors, five of whom shall form a quorum authorized to transact any business of the Convention during the recess thereof, and shall report their proceedings at each annual meeting of the Convention.

ARTICLE VII.—The President shall have power to call a meeting of the Board of Directors whenever the exigency of the circumstances may, in his judgment, require the same.

ARTICLE VIII.—The design of this Convention shall be to elicit, combine and direct the energies of the Baptists of Alabama in one sacred effort

to encourage and promote (1) the propagation of the gospel in this State, and, through the Southern Baptist Convention, in the destitute parts of the world; (2) the education of those it believes called of God to the ministry; (3) the education of the youth of our country; (4) the publication and distribution of the word of God and other literature; (5) the organization and usefulness of Sunday Schools and other religious and educational movements it may deem promotive of the interests of the Kingdom of Christ and sanctioned by the Word of God.

ARTICLE IX.—The Convention shall have the supreme control of any literary or theological institution which has been, or may hereafter be originated in this body; and it shall choose for such institution a board of twenty-four trustees, to serve for six years, of whom one-third shall go out of office biennially; and the said trustees shall on all occasions be subject to the control of the Convention, and make an annual report to this body on the state of such institution.

ARTICLE X.—The Convention may receive funds from all such as may be disposed to aid in any of the benevolent purposes mentioned in the Eighth Article and it shall faithfully apply funds contributed to the objects which may be designated by the donors, a portion, however, being taken *pro rata* from the same for contingent expenses in the event of the insufficiency of the general fund for that purpose.

ARTICLE XI.—The Convention may employ agents, whose duty it shall be to make collections, obtain subscriptions from societies, solicit churches and associations to unite with the Convention and to further all objects of this body

ARTICLE XII.—The Convention shall have power to send delegates to the Southern Baptist Convention, and to any other assembly with which, in its wisdom, it may wish to communicate.

ARTICLE XIII.—The Convention shall hold its meetings at such time and place as it shall, from time to time, appoint.

ARTICLE XIV.—The funds of the Convention shall consist of voluntary contributions or donations and not otherwise.

ARTICLE XV.—The Convention disclaims all right of exercising authority over any church or association, hereby acknowledging that every church is independent, and, within its own sphere, is accountable to no body of men on earth.

ARTICLE XVI.—This Constitution may be altered or amended by the concurrence of three-fourths of the members present at any annual meeting, but not so as to infringe the Fifteenth Article.

ARTICLE XVII.—All amendments or alterations of this Constitution shall be proposed at one session and acted on at the next.

Kerfoot's "Parliamentary of Law" and Mell's "Parliamentary Practice," so far as applicable, have been adopted for the government of the Convention, the former to govern in points where they conflict. (Item 19, 10.)90

Alabama Baptist Ministerial Benefit Society.

Albertville, Ala., July 20, 1910.

The eighth annual meeting of the Alabama Baptist Ministerial Benefit Society was held on Wednesday, July 20, 1910, at 4 o'clock p. m., in connection with the session of the Alabama Baptist State Convention.

The annual report of the President was read, as follows:
To the brethren of the Baptist Ministers' Benefit Society:

We were fortunate in the first year of our history to have no deaths in our membership. We have been especially unfortunate the past year, having lost five of our number. One of these was our brother J. W. McCollum, returned missionary from Japan.

Our Society now numbers 297. We have lost by suspension, seventeen. The amount paid to the families of our deceased members has been \$3,691.61. What blessings came to the homes where these heads of families had been taken away. Surely the object that brought our Society into being will commend itself to our big-hearted laymen.

We have many preachers who are qualified for membership who have not enrolled themselves with us. We hope these brethren, in justice to their families, will soon join us. Large numbers of laymen, who would be glad to be helpers in this benevolent enterprise, should become enlisted. Doubtless this could be easily done if the members of the Society would go out with the information and solicit their names. Once on the list, they should be kept on, if possible.

Let us resolve to add five hundred members to our roll next year.

W. B. CRUMPTON, President.

The report of the Secretary-Treasurer was read and adopted, as follows:
